Re: **Case No. 2002-00295**  
**Case No. 2006-00027**  
**Boone County Water District**

Dear Ms. O'Donnell:

Please be advised that as illustrated in Appendix A, the Boone County Water District believes that the rates approved in the Commission's Order of February 23, 2003, in Case No. 2002-00295, are sufficient to meet its current operating expenses and annual debt service requirements.

We have included for review the figures as reported to the commission for the prior three years and our projection for the current year 2006. As noted on the Appendix, we did not include depreciation as an operating expense.

Very truly yours,
